## FEATURES YOU CAN COUNT ON

The key to better business in routine tasks is reliability. With MULTILIFT Optima, you have exactly the functions you need. And they perform with precision clockwork over and over again, without fail.

*Simply right*

### CapacitySpecific™ design gives you just the capacity you need

Optimized for working with predictable, repetitive loads, MULTILIFT Optima gives you dependable performance without going overboard with power that does not apply to your work.

### ValueBuy™ provides an attractive price for quality

Every detail of the MULTILIFT Optima upholds the highest performance standards streamlined with exactly the functions you need for fundamental loading tasks. Giving superior value for money.

### Fast Performance™ increases your speed in operation

Fast tipping and fast speed functions give a significant productivity boost.

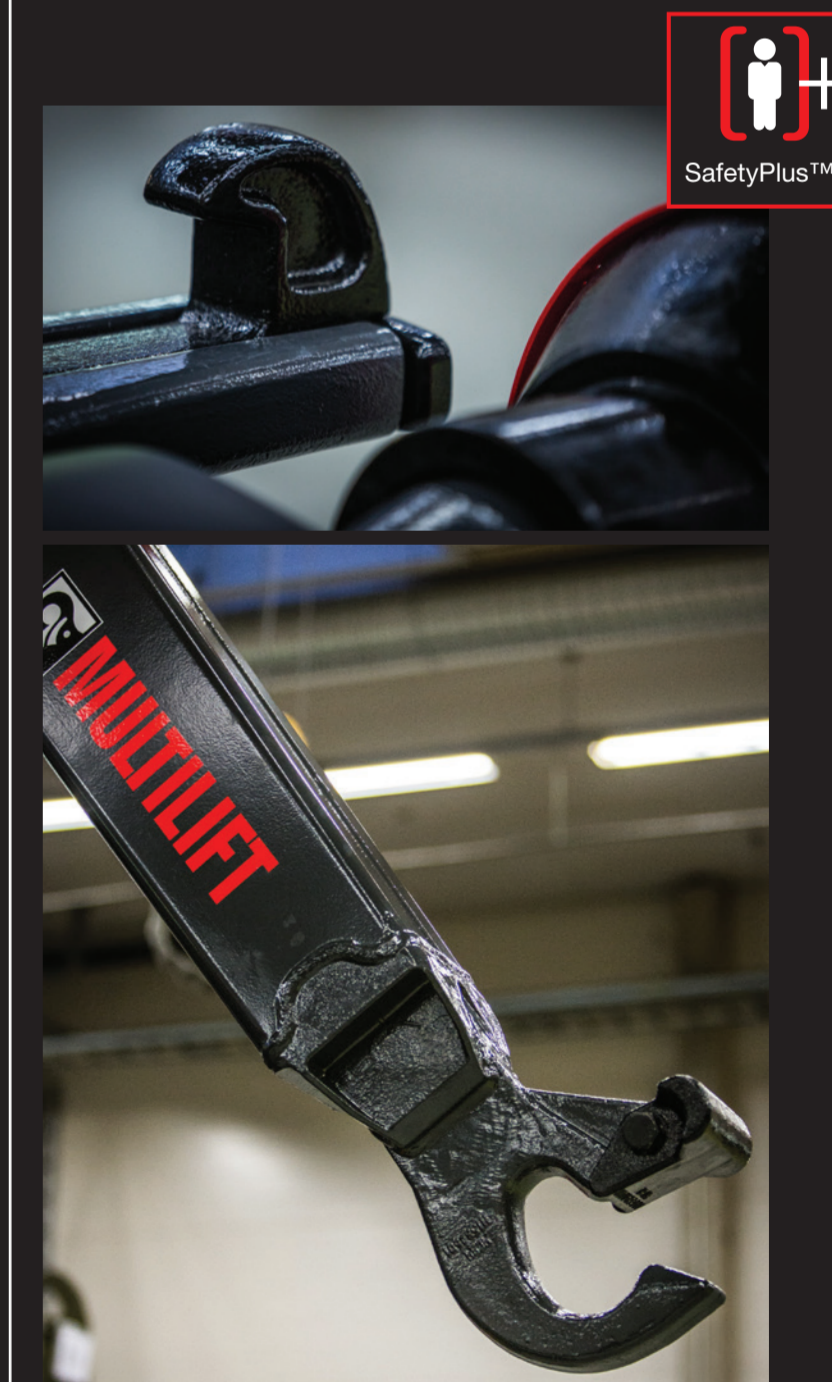

### EvoLight™ construction means more payload

MULTILIFT Optima is light, lean and tough. The lightweight steel construction gives more legal payload without compromising strength. That means customers can haul more while saving fuel and reducing CO<sub>2</sub> emissions.

### SafetyPlus™ boosts safety for both operator and surroundings

Safety, both for the operator and surroundings, are paramount for MULTILIFT. The new MULTILIFT Optima hooklift provides state-of-the-art safety features.
